TO KILL A PERSON AT HOME OR AT WAR IS ILLEGAL: UNSANCTIONED WARS AND FOREIGN INTERVENTIONS ARE ILLEGAL AND DEFINED AS GENOCIDE. DEFENCE OF AN ATTACK IS THE ONLY JUSTIFICATION FOR WAR. WE CAN'T KILL EACH OTHER ANYMORE INCLUDING PRE-EMPTIVE WARS, OR TO CREATE INNOCENT VICTIMS. ECONOMIC SANCTIONS ARE PROHIBITED AS THE PEOPLE SUFFER. ALL WITH WORLD LEADERS TO USE DIPLOMATIC PREVENTION OF WAR WITH THE PEOPLE

We must live in peaceful coexistence and celebrate this magical world and its magical people together;

We must protect the lives and habitats of all human beings, and the planet from degradation and meet global challenges.

The war money must be reallocated to housing refugees, regeneration of destruction, and build communities and build proud nations.

We must live with hope and not fear and in high spirits to prepare the planet for future generations.

REGIONAL DIRECTOR

REGIONAL COORDINATOR

UNITED NATIONS PROTICOLS REQUIRE AN END TO WARS AND PERSECUTION AND TO REJUVINATE TROUBLED NATIONS. ALL NATIONS MUST REASONABLY COMPLY WITH HUMANITARIAN AND EQUITABLE BEHAVIOUR TO POPULATIONS. WAR DECIMATES SUBURBS & FAMILIES, ENTRENCHES DIVISIONS, HAS UNSUSTAINABLE IMPACTS AND COSTS & NO ONE WINS. WE MUST DEMILITARIZE AND REGENERATE USING WAR MONEY; WITH NATION BUILDING PROJECTS & HOUSE REFUGEES.

HUMAN RIGHTS AND PEACE

EVERY NATION MUST NEGOTIATE DEMILITARIZATION, AND EQUITY STRATEGIES FOR CHANGE

Compliance with Gun Controls and limits to defence industry production for defence only is required.

Remove military bases from Foreign locations and fund reinstatement to original use of host nation.

UN controlled regional security forces shall counter critical threats or humanitarian crisis

Racial prejudice in movies or the media of a nation or in person to other cultures is prohibited.

Customs violating the rights of women or others or of barbaric nature must comply with code standards.

Regenerate war ravaged nations by education reform and sustainable national building enterprises.

historical records nations at war

track weapons supply route to wars

Weapons industry to disclose clients

Identify risk and current defence strategies

Evaluate need for defence equipment

financial cost of wars, operations, and maintenance

Effect on national budget

Level of neglect of community services

Identify corruption and excesses of state

Reform education processes and religion

Identify human rights violations

all cultures to reform violating practises

UNITED NATIONS "CULTURE BLENDER" PEACE SAFE NATIONS CENTRE NEGOTIATION SYSTEM

Define violations and critical cultural differences identify negotiation points and common ground.

agree models for compromise to remove violations against humanity and impose penalties for historical violations

cut military budgets and reallocate money to house refugees and regenerate communities

agreement by all parties for a strategy for peaceful coexistence and nation building projects

offer economic bribes or funded projects for justice to violated communities if peace is the outcome.

There is no time frame on this process but a peaceful equitable resolution must prevail.

Contribution to Innovation Nation safe zones for refugees requested from military spending offset money.
